Things to know...

Attendance Letters:

Last week you may have received Holiday Warning letters and attendance updates. School attendance is really important and we are required to send these letters to all families. Please don't think it is due to anything you have done personally.

Pick up time:
Recently we have had students who have not been collected until at least 15 minutes after the end of clubs or the school day. If you are going to be late please inform us as soon as you can but please be aware it is not easy for us to staff signifcant and persistent lateness and ensure staff receive the planning time and training they need.

Dropping off:

Thank You to all those assisting with dropping off at the gate rather than coming into school - this is already making a huge difference.

Clubs:

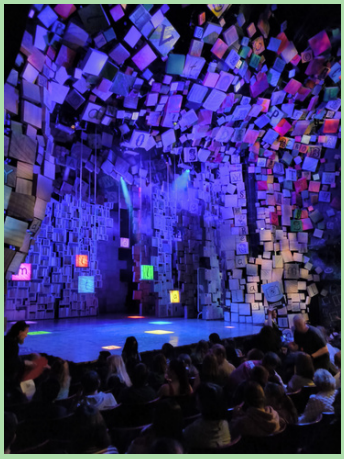
All clubs are listed on School Gateway. Please ensure these are booked.

Mr Bridge's update

Welcome Back...

it has been fantastic to have all of our students back this week looking refreshed and excited for a new term ahead. We are also really pleased that attendance has been looking up and pupils have been attending well this week! Please help us keep it up! This week teachers will be sending home curriculum newsletters to let you know what we will be up to this week!

London Trip



Our Year 5s and 6s had a fantastic trip to London this week. We had a look around the British Museum, followed by a McDonalds tea and Matilda the Musical in the West End.

The next morning we went for a tour and workshop at the Houses of Parliament.

The children had a great experience riding the train and underground.
